## Year 1 Warrington Museum

Year 1 children went on an amazing trip to Warrington Museum yesterday where they participated in a Gruffalo workshop. We followed a Gruffalo trail, met some woodland animals, a fox, a mouse, birds and a snake and made a clay mouse to display in our art exhibition in June. The children had a lovely time and even had a picnic lunch in Queens Gardens in the beautiful sunshine.

## Climbing Wall

On Wednesday, a group of children from Year 5 and 6 went to Warrington Climbing Wall with Active Hope. The children challenged themselves to climb higher each time and all showed the determination and resilience to meet their targets. Well done to you all!

## Time to Share

On Thursday, Year 2 children invited parents and carers into their classroom to share the work they have been doing on "TIME". Children and parents played time games, which included Lotto Bingo and putting the right time on the clocks. We would like to say a big thank you to all our parents and carers who attended our class today. We hope you enjoyed the visit as much as we did.

## Year 5 Residential

From Wednesday 16 May to Friday 18 May, Year 5 children will be going on their residential to Forest Camp. They should come into school via the front office on Wednesday morning with their cases and anything else they are taking with them (including their teddies). All year 5 children will then be registered in the hall by their class teacher before setting off on their adventures. Please feel free to stay and wave them off!

## Football Superstar!

Alfie, in Year 2, plays for Rylands under 7's football team. Alfie entered a tournament over the bank holiday weekend, where he competed in 10 games of football. He was spotted for his football skills by a Manchester City Scout, who has asked Alfie to attend some trials and to sign up for the Manchester City Academy! That's amazing - well done, Alfie!

*Captain's Table*

Congratulations to our Stars, SEAL and Headteacher Award winners, who will all be invited to enjoy their lunch on the Captain's Table.

**Headteacher Award**

The Headteacher's Award is given each week to children who have shown impeccable behaviour, outstanding attitudes and admirable learning skills.

**This week the Headteacher's Award goes to:**

**Foundation Stage – Grace E (FS1 PM)** for challenging herself to apply her new maths learning independently and for her beautifully developing writing 😊

**Key Stage 1 – Mia (Y1)** for excellent behaviour, mature attitude and blowing us away with her amazing writing this week.

**Key Stage 2 – All of Year 6** for the most amazing attitudes and focus. All the staff are talking about you, Year 6 – you are exceptionally impressive and have made us all tremendously proud this week!

**Poster Competition**

Our School Council announced details of a poster competition in this morning's assembly. Children have been asked to design a poster based on litter around school and there will be prizes of customised, reusable water bottles for all the winners. Anyone who would like to enter the competition should hand in their poster to their class School Councillor. Good luck, everybody!

**Orienteering**

After completing 5 orienteering sessions in school, 4 children from Year 3 and 4 children from Year 4 were selected to take part in an orienteering competition with other local schools. The children applied their learned skills in a competitive situation and most importantly had lots of fun! Well done, Team Brook Acre!

**Headlice**

**Please check your child for headlice regularly and treat whenever necessary. We are not allowed to check a child's hair but if we see headlice, our policy is to send the child home immediately to be treated. Once your child/children have been treated, they can return back into school.**
